We, the members of the 1984 yearbook staff, proudly present this year's Weicon to the Senior class.

The theme of the Weicon this year is "All that I Can Be." It is hoped that the many memories captured within these pages will not only reflect what we are now, but what we can be in the future.

The task of putting together a book which personifies the feelings of the entire school was a hard job, but an enjoyable one none the less. The Weicon staff would like to express its gratitude to advisor Mrs. Chrystine Heck and business advisor Mr. Terry Morgan for all their time and dedication.

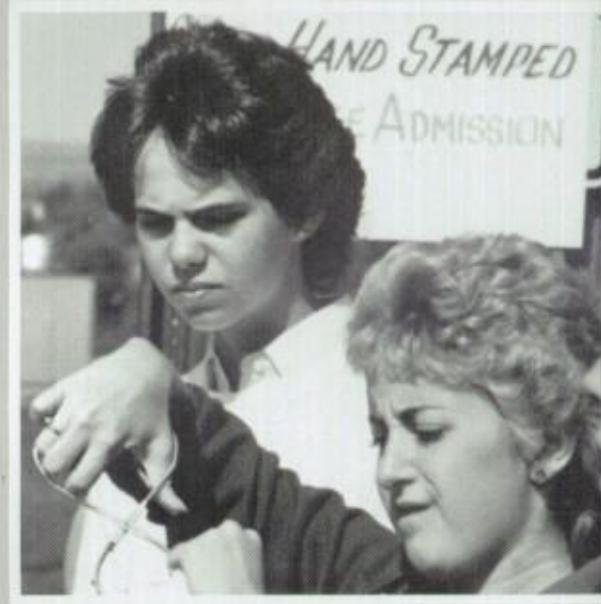

Here then, is the 1984 Weicon.

Sincerely,
Susan Alexander

Graduation, which once seemed in the distant future, is now the present. The knowledge we have gathered during our years at Weiser exceeds more than just academics. As we matured, we have learned the true values in life. Through the years we have shared the moments of laughter and tears together. Along the way many of our acquaintances have become our special friends. Soon we will follow our dreams and pursue our goals in life. So to all, my fellow class-mates, I bid you adieu and hope you take all your memories of Weiser with you as you start a new beginning.

TERRI BRIGHT: OUR JUNIOR MISS

Representing Conrad Weiser in the 1983 Junior Miss Pageant was truly a fantastic experience and one which I will never forget. With this honor, came a great deal of responsibility. Learning dance routines, being interviewed by the judges and perfecting my individual talent proved to be a huge challenge.

The contest, however, was not all hard work. Along with nineteen other equally qualified and friendly girls, I enjoyed playing softball, swimming, miniature golfing and having the time of my life.

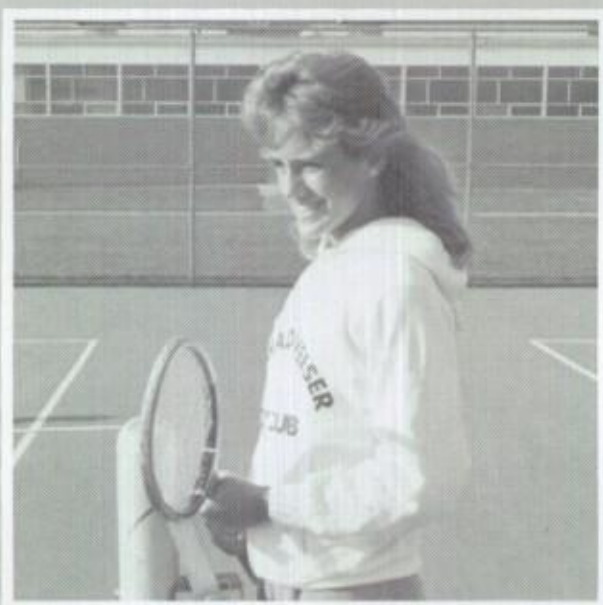

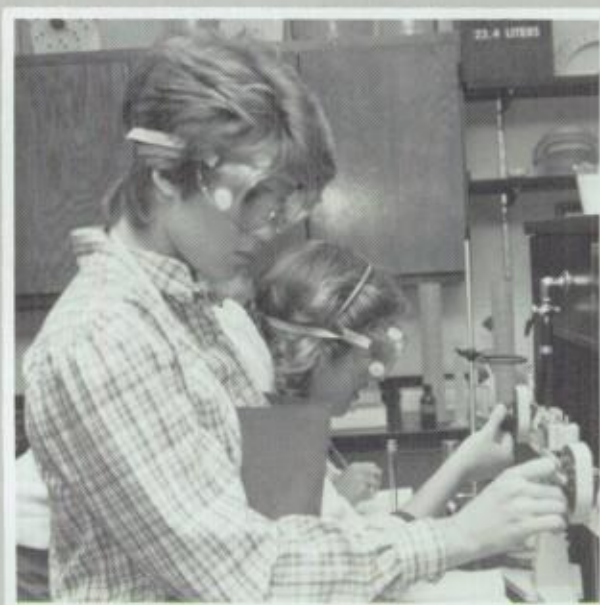

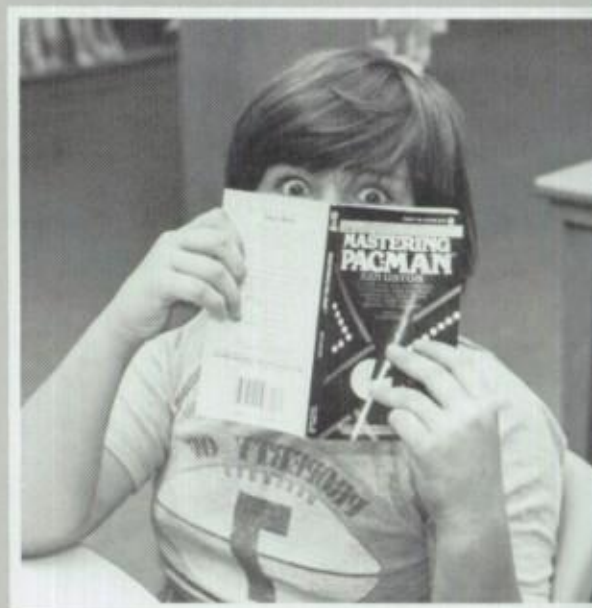

From this pageant I have gained confidence, poise and so much more. I've developed special friendships and have many memories which will never be forgotten.

I'd like to thank my family and friends for all their support and encouragement which they gave me. To future Junior Misses, I wish you the best of luck and happiness.

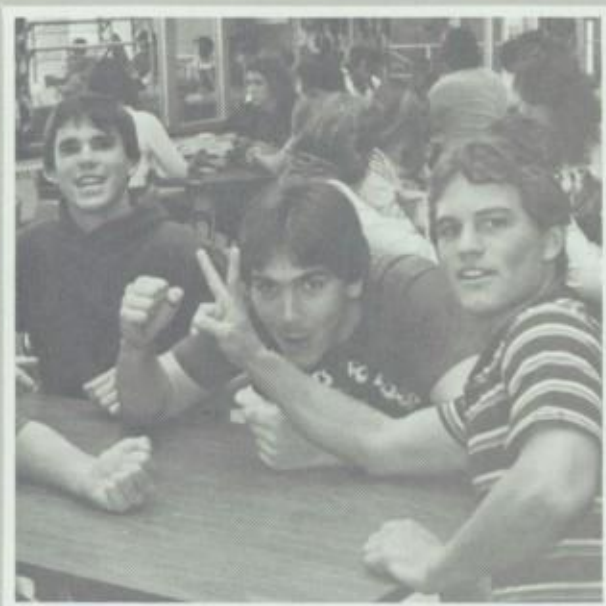

Terri L. Bright

ADMINISTRATION

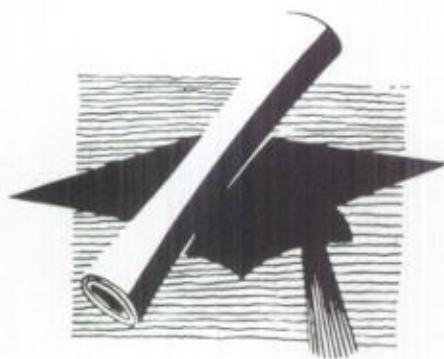

DR. RICHARD W. MILLER

As a graduate you will search for your new horizons daily. As you seek to attain your goals, consider these ten two-letter words as inspiration to accomplish each day those tasks that will ultimately bring your life goals to fruition: If it is to be, it is up to me!

Work hard, enjoy life, and always love and respect your fellowman.

Richard W. Miller, Ed.D.
Superintendent of Schools

Mrs. Martha Trupe, Secretary

Seated - Mr. James Schultz, Mr. Kenneth Long, Mrs. Sandra Harper, Mr. Dennis Manbeck. Standing - Mr. Ronald George, Mr. Richard Hummel, Mrs. Patricia Knoll, Mrs. Cecilia Zuber, Mr. Timothy Kissling.

MR. TERRY W. REBER

It is appropriate to reflect upon the past and present before looking ahead to the future. These reflections make you aware of and appreciate opportunities that were made available at Conrad Weiser. Your yearbook has depicted highlights of the year through vivid pictures of memorable experiences as well as heart warming reminiscences of friends and an enjoyed satisfaction of recalling work well done. As indicated in this year's theme for the yearbook, "All That I Can Be", we believe that this school year afforded each student the opportunity to achieve their maximum potential.

Best of luck to the Class of '84 and congratulations to the yearbook staff.

Terry W. Reber
Assistant Superintendent

Mrs. Eileen Kulp, Secretary

Mrs. Joenita Speiss, Secretary

MR. GEORGE M. MCLAIN JR.

May I take this opportunity to congratulate each member of the class of '84 for reaching the beginning of a new challenge in life. This adventure will require each of you to apply what you have been taught up to this moment in time. In addition, you must begin to strive for new goals causing you to accept the philosophy of "All That I Can Be". You will soon realize it is up to you. Good luck to each of you in the future.

George M. McLain, Jr.
Director of Curriculum & Instruction

MR. HAROLD E. STERN

In the future there will surely come a moment, as it comes to all of us, when you turn your mind toward your school days. It is inevitable that you return, through your yearbook, to a school which played such a major part in your life. Indeed, it is inevitable that you and your school remain a part of each other. We can only hope that the association was happy and beneficial and that you helped make Conrad Weiser all that it could be. In turn we also hope it helped make you all that you can be.

Mrs. Glenda Worman

MR. LARRY R. SCHMIDT

The theme of this year's yearbook, "All That I Can Be", is so very important to all students at Conrad Weiser and particularly to the Class of '84. To the seniors the theme is a challenge to pursue career goals and opportunities which allow them to utilize their own skills and potential. To the underclassmen the theme is a challenge to work hard in school to develop their skills and potential for future careers or goals.

Congratulations to the Class of 1984 and best of luck to you in meeting the challenge to be "All That I Can Be."

FOOTBALL

This year's Conrad Weiser football team had a record of 3 wins, 7 losses. Although the records weren't high the football team showed optimism and group effort.

As a young team starting over and gaining confidence, they still were tough against the opposing teams. Among the seniors who showed their skills were tri-captains Pat Kennedy, Tom Schoener, and Duane Putt. Other seniors who demonstrated their talents were, Troy Pieffer, Shawn Flannery, and Chuck Miller.

The coaches have confidence that next season the Conrad Weiser football team will show progress and strength after this period of rebuilding.

HOMECOMING 1983

BOYS BASKETBALL

This years Varsity team, coached by Mr. "Chet" Kline, was composed of one senior and ten juniors. This made a rough season, although two juniors, Mike Embleton and Steve Lutz, were back for their second season. Mike Embleton lead the team in total points, with Mike Moyer not far behind. Alan Moyer lead the team in assists. Mike Moyer had the most offensive and defensive rebounds.

The J.V. team, under the second year coaching career of Mr. Lord, had a better overall season than Varsity. They won against teams like Wilson, Holy Name, and Exeter. Joel Neiheiser scored 27 points in the game against Holy Name. Mike Sadowski tied Joel's record in the game against Exeter.

With ten out of eleven players returning for next years Varsity team, the prospects for the coming year are excellent. If you plan to play basketball next year, you had better get as much practice in this summer as possible.

WRESTLING

What enters your mind when you think of a wrestler? Is it sweating and making weight, or is it hard work and dedication? All of this is only a small part of being a wrestler. Wrestling is a sport for the individual, one who wishes to show he has strength and skill. But being a wrestler also means being part of a team and taking on the responsibility of victory or defeat as a member of that squad. The squad this year was led by the fine leadership of our five seniors. The 1983-84 wrestling team was a great group of boys who showed good sportsmanship and made us proud to be Scouts.

WEICON

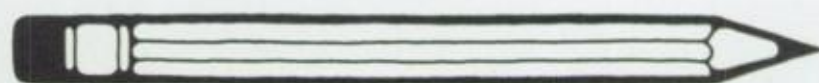

Ever since September, the thirty-eight members of the Weicon staff have been busy taking pictures, writing, and cropping. All this hard work has not gone to waste as it has resulted in the 1983-84 Weicon. The yearbook demands many hours of hard work from everyone involved. Special thanks must be given to Mrs. Chrystine Heck, who devoted much of her time and energy as our advisor. It is our hope that this years' Weicon will bring back many fond memories now and in the years to come.

DRAMA CLUB

The setting of this years Drama Club play is Fall River, Massachusetts just before the turn of the century. The case is a double murder of a husband and wife, and all fingers are pointed at the daughter, Lizzy Borden. Andrew Borden, a strict businessman father, gathers up enemies as the play progresses. His wife, the girls' stepmother, Abby, is very shrewd and eventually has the girls thrown out of the house. After Andrew refuses to give some land to his sister-in-law, she leaves, and both Andrew and Abby turn up dead. Was it Lizzy, her sister Emma, their Aunt Vinnie, the maid Bridget, or the servant Sousa? The accused was Lizzy, but with the help of her lawyer and a reporter, she was not proven guilty. Once again Miss Rurode and the Drama Club have shown what a little hard work can do. All of the work and fun payed off on November 4, 1983 when "Lizzy Borden of Fall River" was performed. It was well done from the opening of the curtain to the closing. To this day, no one knows if Lizzy Borden did or did not murder her father and step mother.
